Groundbreaking Begins on Disaster-Impacted Homes

Construction funded by the ReCoverCA Owner-Occupied Rehabilitation and Reconstruction (OOR) Program is in progress on homes in Butte and Sonoma Counties! As more projects get close to starting construction, program staff will contact applicants with additional forms for signature. If you have any questions about program requests, please [reach out to your case manager](#).

DOES YOUR SINGLE-FAMILY HOME OR MANUFACTURED HOUSING UNIT HAVE REMAINING REPAIRS FROM A PAST DISASTER?

You may be eligible for up to \$500,000 in rebuilding assistance. Visit our website for eligibility requirements or contact us at:

E: RecoverCA@hcd.ca.gov.

P: (916) 202-1764.

ReCoverCA Disaster Housing Assistance Survey for 2017 and 2018 Survivors Set to Close July 30

HCD will close the Disaster Housing Assistance Survey for homeowners affected by 2017 and 2018 disasters on July 30, 2022. The survey, the first step for survivors interested in the ReCoverCA OOR Program, originally opened in Fall of 2020.

ReCoverCA encourages all homeowners of single-family or manufactured housing units who are still rebuilding from 2017 or 2018 disasters to complete the survey at <https://recover.hcd.ca.gov/>. Survey instructions, program overview information, and eligibility criteria can all be found on the ReCoverCA website.

Survey respondents submitting after July 30 will not be eligible for 2017 or 2018 OOR funds. If you have questions or need assistance completing the survey, please contact us at (916) 202-1764 or RecoverCA@hcd.ca.gov. Information is available in English and Spanish, and other languages upon request.

CAL FIRE Releases Handbook for Small-Parcel Owners

CAL FIRE is pleased to announce the release of the [Forest Management Handbook for Small-Parcel Landowners in the Sierra Nevada and Southern Cascade Range](#).

About 20% of California's forests (~7M acres) are owned and managed as small parcels by private landowners. The handbook provides succinct, straightforward, and thorough information to help them develop a sound forest management strategy for their property.
