OVERVIEW

Article I summarizes the purpose and scope of the Surplus Land Act (SLA) by identifying the objectives of the Guidelines and defining key terms within the law. This section also defines lands exempt from the provisions of the SLA.

Article II describes the mechanisms for identifying and disposing of surplus lands. This Article also describes requirements for developments built upon disposed surplus land, surplus land in which no sale took place under the auspices of the SLA, and requirements for affordable housing on surplus land that is developed at a later date.

Article III identifies the affordable housing requirements for developments built upon disposed surplus land.

Article IV summarizes the notification, recording, and reporting requirements to the California Department of Housing and Community Development (HCD) under the SLA.

Article V explains HCD's obligations to monitor local agency compliance with the SLA and identifies the escalating penalties associated with noncompliance.

ARTICLE I. PROGRAM OVERVIEW

Assembly Bill (AB) 1486 (Statutes of 2019, Chapter 664) and AB 1255 (Statutes of 2019, Chapter 661) made changes to the SLA found in **Government Code, Title 5, Division 2, Part 1, Chapter 5, Article 8. Surplus Land**. Generally, the purpose of the amendments is to promote affordable housing development on unused or underutilized public land throughout the state to respond to the existing affordable housing crisis. The amendments to the SLA adopted with AB 1486 and AB 1255 clarify and strengthen reporting and enforcement provisions of the SLA to promote increased compliance with the SLA.

AB 1486 took effect January 1, 2020.

As of that date, HCD began reviewing notices that local agencies are required to send by email or certified mail pursuant to Government Code Section 54222(a)(1) and examining complaints and other information received or requested to confirm compliance with the SLA pursuant to Government Code Section 65585.1. As of that date, HCD also began collecting (in Table G of the Housing Element Annual Progress Report (APR)) information on jurisdiction- owned sites identified in the housing element sites inventory, and subsequently disposed of by the jurisdiction.

As of January 1, 2021, HCD was required to begin implementing Government Code Section 54230.5, including, but not limited to, adopting these Guidelines; reviewing each local agency's description of the notices of availability sent, negotiations conducted with any responding entities, and copies of any restrictions to be recorded against the property pursuant to Government Code Sections 54233 or 54233.5; submitting written findings to local agencies; and, if necessary, assessing penalties, in conjunction with the Attorney General, to local agencies that dispose of surplus property in violation of the SLA.

Section 101. Guidelines

 - D) Forward to HCD a copy of any restrictions to be recorded against the surplus land pursuant to Government Code Section 54233 or 54233.5, whichever is applicable, in the form prescribed by HCD in Appendix B; and
 - E) If the local agency is a city or county, beginning April 1, 2021, the local agency must report annually information about all locally owned surplus land sites pursuant to Government Code Section 54230. Reporting shall be in table H of the APR in accordance with APR instructions.
- (2) Housing sponsors, as defined by Section 50074 of the Health and Safety Code, may notify HCD of their interest in surplus land pursuant to Government Code Section 54222(a)(1) using the survey in Appendix D.
 - (3) HCD will maintain updates of interested housing sponsors and inventories of publicly owned surplus land and a list of notices of availability.

In addition, for those moderate-income households whose gross incomes exceed 110 percent of the area median income adjusted for family size, it shall be optional for any state or local funding agency to require that affordable rent be established at a level not to exceed 30 percent of the gross income of the household.
- (d) **“Agency’s use”**. Except as provided below, “agency’s use” shall include, but not be limited to, land that is being used, or is planned to be used pursuant to a written plan adopted by the local agency’s governing board for agency work or operations, including, but not limited to, utility sites, watershed property, land being used for conservation purposes, land for demonstration, exhibition, or educational purposes related to greenhouse gas emissions, and buffer sites near sensitive governmental uses, including, but not limited to, waste water treatment plants as described in Government Code Section 54221(c)(1).

- (1) Agency's use shall not include commercial or industrial uses or activities, including nongovernmental retail, entertainment, or office development. Property disposed of for the sole purpose of investment or generation of revenue shall not be considered necessary for the agency's use.
- (2) In the case of a local agency that is a district, excepting those whose primary mission or purpose is to supply the public with a transportation system, "agency's use" may include commercial or industrial uses or activities, including nongovernmental retail, entertainment, or office development, or be for the sole purpose of investment or generation of revenue if the agency's governing body takes action in a public meeting declaring that the use of the site will do one of the following:

- (g) **"CalHFA"** means the California Housing Finance Agency.
- (h) **"Disposition of surplus land"** means the sale or lease of local agency-owned land formally declared surplus.
 - (1) For purposes of this subsection, "lease" shall not include a lease of land on which no development or demolition will occur or which has a term that is less than five (5) years (including any extensions, amendments or options). However, an enforceable option to lease, as defined by these Guidelines, will qualify as a lease for purposes of these Guidelines.
 - (2) If a local agency is unsure whether a transaction involving local agency owned land meets this definition, they are encouraged to seek additional guidance from HCD via the [Surplus Lands Portal](#). Prior to September 6, 2023, submissions were accepted at PublicLands@hcd.ca.gov.

In cases where fair market value has not been established, the parties may seek a broker’s opinion of value or an appraisal may be conducted. If, following a single appraisal, consensus on fair market value remains absent, a second appraisal is frequently obtained. If consensus on fair market value is not reached after the second appraisal, the parties may average the results of the two appraisals, or a third appraisal may be obtained. Nothing in these Guidelines prevents a local agency from selling or leasing surplus land for fair market value or fair market rent or less than fair market value or fair market rent.

- (ii) If a notice of interest is received in response to an NOA, a request for proposals may not be issued until after the conclusion of the 90-day negotiation period.

- (B) Upon Receipt of Notice of Interest.
If a local agency disposing of surplus land receives a timely notice of interest from a proper entity, then a 90-day good faith negotiation period begins on the first day after the end of the 60-day period in Government Code Section 54222(e). If the price or terms cannot be agreed upon after the full 90-day good faith negotiation period, then the local agency may dispose of the surplus land without further regard to the SLA but must still comply with Government Code Section 54233 or 54233.5, as applicable.
- (C) 90-Day, Good Faith Negotiation Period.
For purposes of the 90-day good faith negotiation period, residential use of the surplus land by the prospective transferee shall be deemed an acceptable use. Terms agreed to as part of the 90-day good faith negotiation period must comply with the following:
- (i) A local agency cannot prohibit residential use of the surplus land as a condition of a sale or lease.
 - (ii) A local agency cannot reduce the authorized number of residential units or the maximum lot coverage of the surplus land below what is allowed by zoning or general plan requirements.
 - (iii) A local agency may not require, as a condition of sale or lease, any design standards or architectural requirements that would have a substantial negative effect on the viability or affordability of a housing development for very low-, low- or moderate-income households, other than the minimum standards required by general plan, zoning, and subdivision standards and criteria.
- (D) For the purposes of complying with the SLA's requirements regarding NOAs, "participating in negotiations" does not include the commissioning of appraisals, due diligence prior to the sale or lease of the surplus land, discussions with brokers or real estate agents not representing a potential buyer, or other studies to determine value or best use of the surplus land, issuance of a request for qualifications, development of marketing materials, or discussions conducted exclusively among local agency employees and elected officials. (Gov. Code Section 54222(f))
- (E) If an entity believes a local agency has not negotiated with it in good faith pursuant to this section, the entity may notify HCD via the [Surplus Lands Portal](#). Prior to September 6, 2023, submissions were accepted at PublicLands@hcd.ca.gov.
- (F) Sample negotiation process timeline. The following represents a sample timeline for a good faith negotiation per the definition in Section 102(m) of these Guidelines. Minor departures from this sample do not constitute per se bad faith, and differences in the timeline may be justified with prior notice to HCD.

- March 1, 2021 – disposing agency sends a NOA of surplus land as described in Section 201;
- March 10, 2021 – first entity desiring to purchase or lease the surplus land sends notice of interest to disposing agency;
- March 12, 2021 – disposing agency receives notice of interest from first entity desiring to purchase or lease the surplus land;
- March 20, 2021 – second entity desiring to purchase or lease the surplus land sends notice of interest to disposing agency;
- March 22, 2021 – disposing agency receives notice of interest from second entity desiring to purchase or lease the surplus land;
- April 30, 2021 – last day for an entity desiring to purchase or lease the surplus land to respond to the NOA;
- May 1, 2021 – 90-day, good faith negotiation period commences, as described in Section 202(a)(1)(C)
- July 30, 2021 – last day of 90-day, good faith negotiation period;
- July 31, 2021 – first day that disposing agency may dispose of the surplus land without regard to the amendments to the SLA, except that the disposing agency must still follow Government Code 54233 or 54233.5.

(2) Terms

- (A) As part of the 90-day good faith negotiation period, a local agency and a prospective transferee may agree to limitations on residential use or density if, without such limitations, the residential use or density would have a specific, adverse impact, supported by written findings, upon the public health or safety or upon the local agency’s operation or facilities, and there is no feasible method to satisfactorily mitigate the impact.
- (B) For low and moderate-income housing purposes, a local agency may agree to a payment period of up to 20 years for a sale of surplus land in any contract of sale or sale by trust deed for the land. Such payment period may exceed 20 years but shall not exceed the term that the surplus land is required to be used for low- or moderate-income housing.
- (C) A local agency may sell or lease surplus land at fair market value or fair market rent or less than fair market value or fair market rent.
- (D) Agreement between the local agency and buyer.
- (i) Failure to agree on sale/purchase price of land: If “fair market value” was determined by a single appraisal, a second appraisal value commissioned from a mutually acceptable firm may be averaged with the initial value to determine a sales price.
- (ii) Partial lease/acquisition: A local agency may agree to a lease or

sale of part of the surplus land provided that the remaining parcel or parcels are disposed of as surplus land or exempt surplus land. A written justification for accepting a lease or sale of part of surplus land must accompany the Appendix B report to HCD.

- (iii) Agency change of mind: A local agency may withdraw its NOA provided that no notices of interest have been received and a written “notice of withdrawal” is sent to all housing sponsors, local public entities, HCD, and any other developers to which the notice of availability was sent.
- (iv) Conditions and restrictions required by the local agency as seller: A local agency may provide entities with reasonable conditions or restrictions for the surplus land in question, which must be included in the NOA, and reviewed by HCD pursuant to Section 400. The parties are required by the SLA to then negotiate in good faith. If it appears that the parties cannot resolve issues that would preclude a disposition within the 90-day negotiation period, the parties may discuss the issue(s) with HCD.

(b) Payment Period for Surplus Land Disposed of in Contract of Sale or Sale by Trust Deed

(1) If surplus land is disposed of for housing for persons and families of low and moderate income, the payment period shall not exceed the term that the land is required to be used for low- or moderate-income housing.

(2) If surplus land is disposed of for park or recreation purposes, for open-space purposes, or for school purposes, the local agency may provide for a payment period of up to 20 years.

(3) Multiple Notices of Interest

(A) A local agency may negotiate concurrently with all entities that provide notice of interest for the purpose of developing affordable housing that meets the requirements of Government Code Section 54222.5.

(B) In the event that any local agency disposing of surplus land receives a notice of interest to purchase or lease that land from more than one of the entities to which a NOA was given, the local agency shall give first priority to the entity or entities that agree to use the site for affordable housing that meets the requirements of Government Code Section 54222.5, described as follows:

(i) Not less than 25 percent of the total number of units developed (which number includes density bonus units) shall be affordable housing as defined by Section 102(a) of these Guidelines.

(ii) If more than one entity proposes the same number of units that meet the requirements of Government Code Section 54222.5, priority

shall be given to the entity that proposes the deepest average level of affordability for the affordable units.

- (C) If the local agency receives notices of interest from more than one entity that agrees to meet the requirements of Government Code Section 54222.5, then the local agency shall give priority to the entity that proposes to provide the greatest number of units that meet the requirements of Government Code Section 54222.5.

(4) Grounds for local agency to reject offer:

- (A) A local agency may reject an offer when the local agency and buyer/lessee cannot agree on sales price or lease terms.
- (B) A local agency may reject an offer when priority is given to a competing offer that includes a greater number of affordable units or, in case of a tie in the number of units, the lowest average level of affordability consistent with Government Code Section 54222.5.
- (C) A local agency may reject an offer when the interested entity is not responsive to a local agency's reasonable conditions or restrictions as described in the NOA, where consistent with these Guidelines and the SLA, and such conditions or restrictions are reviewed by HCD.

(c) Requirements If Negotiations End with No Sale or Lease of Surplus Land

(1) Local Agencies That Are Not Districts.

- (A) If the local agency does not agree to price and terms with any entity to which NOA of land was given pursuant to these Guidelines, or if no entity to which a NOA was given pursuant to these Guidelines responds to that notice, then the land in question may be disposed of outside of the SLA, except that Section 202(c)(1) and (2) shall apply.

In such a case, if 10 or more residential units are developed on the property, not less than 15 percent of the total number of residential units developed on the parcels shall be sold or rented as affordable housing as defined by Section 102(a) of these Guidelines.

- (B) The purchasing entity shall agree to the following additional requirements:
 - (i) Rental units shall remain at an affordable housing cost to, and occupied by, lower-income households for a period of at least 55 years. Ownership units shall remain at an affordable housing cost to, and occupied by, lower-income households for a period of at least 45 years. The initial occupants of all ownership units on the surplus land shall be lower-income households and the unit shall be subject to an equity sharing agreement consistent with Health and Safety Code Section 65915(c)(2). Any subsequent occupants shall also be lower-income households, if necessary, for the unit to remain

occupied by lower-income households, for at least 45 years or 55 years, respectively.

(ii) The requirements set out in subdivision (a) above shall be contained in a covenant or restriction recorded against the surplus land at the time of sale, which by its express terms shall run with the land and shall be enforceable by any of the following parties, against any owner who violates the covenant or restriction and each successor in interest who continues the violation:

I. The local agency that disposed of the property.

I. Any resident of an affordable ownership or rental unit described in subdivision (a).

II. A resident's association with members who reside in units described in subdivision (a).

III. A former resident of a unit described in subdivision (a) who last resided in that unit.

a. Is of low or moderate income, as defined in Section 50093 of the Health and Safety Code;

b. Is able and willing to occupy that particular unit; and

c. Was denied occupancy of that particular unit due to an alleged breach of a covenant or restriction implementing Government Code Section 54222.5.

V. A person on an affordable housing waiting list who is of low or moderate income, as defined in Section 50093 of the Health and Safety Code, and who is able and willing to occupy a unit subject to this provision of the Guidelines.

(C) A local agency shall provide a copy of any restrictions recorded against the surplus land to HCD as an attachment to the form prescribed by HCD in Appendix B.

(2) Districts.

(A) If a local agency that is a district, excepting those whose primary mission or purpose is to supply the public with a transportation system, disposes of surplus land where local zoning permits development of 10 or more

residential units or is rezoned within five years of the disposal to permit the development of 10 or more residential units, and 10 or more residential units are developed on the property, not less than 15 percent of the total number of residential units developed on the parcel shall be sold or rented as affordable housing as defined by Section 102(a) of these Guidelines, and the additional requirements contained in Section 202(c)(1)(B)(i-ii) of these Guidelines shall apply.

- (B) A local agency that is a district shall provide a copy of any restrictions recorded against the surplus land to HCD on the form prescribed by HCD in Appendix B of these Guidelines.
- (C) This subsection shall not apply to projects as defined in Health and Safety Code Section 32121(j).

 - (4) Upon receipt of HCD's invoice, the local agency may appeal the penalty assessment to HCD's Director by submitting to the Director a written appeal.
